Trainer and director of the psychology and psychotherapy integration process Oxigeme.

Intervention protocol for psychotherapy focusing on the problem and the person.

Towards a 21st century Psychology.

Integration of the most significant schools in the West, Zen and researching in Indigenous Medicine.

First cycle. Therapeutic intervention -protocol-. Integration of the most important schools of psychology. Original protocol for private use.

Second Cycle. Theoretical-experiential process based on the "states of consciousness" from the meditative processes of the tradition, with emphasis on ZEN.

TRAINING I 2011 - 2015

TRAINING II 2013 - 2016

TRAINING III Since 2018

Secondary school teacher from 1980 to 1988 Regional Government of Catalonia.

Doctoral Theses

Autonomous University of Madrid. UAM. Faculty of Psychology. Department of Biological and Health Psychology. Author: Manuel Almendro

"The meaning of chaos theories in psychotherapy"

Date of publication: 2000. Result: summa cum laude.

Chairman of the thesis committee: José Luis Pinillos, widely considered to be the father of psychology in Spain, colleague and collaborator of Hans Jurgen Eysenck.

Central topic: Dissipating processes devised by Ilya Prigogine could be applied in psychotherapy, perceiving crisis as a process of reorganisation for the person.

***Doctoral Theses on the Work of Manuel Almendro**

University of Comillas. Madrid. FACULTY OF HUMAN AND SOCIAL SCIENCES

***Workshops. Psychology Seminars. Oxigeme Process.**

It is impossible to list all the activity of 35 years of work, so this is just a part.

Important Note. Application of clinical psychology, Zen and traditional indigenous medicine. First process: resolution and dissolution of the shadows of memory. The shape of Man. Following clinical and spiritual traditions.

Second process: Immersion in silence

Processes designed by Manuel Almendro in the context of the Oxigeme process as set out in books and papers.

Workshops, since 1984, increasing over the years up to every month: Europe and America: California, Mexico, Venezuela, Colombia, Peru. Too many workshops to list here.

CRISOL: Clean your family wounds. Duration: One week

Weekends

Special mention. Seminars led by Dhiravamsa and Manuel Almendro, Psychotherapy (induced vibration) and Vipassana meditation. 2004.2008.
